This day will be for a maximum of 6 dogs. It will be most suitable for novice dogs and handlers who have a good understanding of the basics, but could also be useful for more experienced handlers. All dogs will be given the opportunity to point and flush game, on excellent ground under the supervision Howard Kirby ably assisted by members of the Mullenscote team.

For those people who don't know Howard his website is here <http://www.mullenscote.co.uk/index.html> and will give you an insight into Mullenscote Gundogs.

It will be a very full and social day so bring lunch as well as water, towels etc. for the dogs. In the case of over subscription priority will be given to members and then to novice handlers and young dogs.

- **Cheques will be held until after the training day when they will be forwarded to the treasurer, send SAE if you want your cheque returned rather than destroyed if you don't get a place**

If anyone has to pull out after the draw date, for a genuine reason, I will do my best to fill the place, if I am successful your cheque will be destroyed, if I do not have enough notice, or am unable to fill the place for any other reason the fee will be forfeit.
